Tech: Thank you for calling Blendtec, my name is Kate. How may I help you?

Customer: Hey Ms. Kate, how are you? Hey I ordered a Blend Jet and I never used it. I mean it's brand new, matter of fact it was still in the shipping package it came in; however it is a, I opened it and it is a recall on that serial number that goes with that. So what I'm asking is that, and I think this is the Blend Jet 2. Since it has never been used, can I send it back and they just send me another one?

Tech: You know, I do not know what they do. This is Blendtec. This is a totally different company.

Customer: Oh, Blendtec? Oh God.

Tech: But I can give you a phone number for them, if you would like.

Customer: Yes, cause I, oh Lord.

Tech: No problem, not at all not at all. We're happy to help. So the number is 844.

Customer: Okay, wait a minute let me get this, because I'm in the bed with the flu and, okay. The number is, and this is Blend Jet, right?

Tech: Yes, for Blend Jet it is 844 588.

Customer: 588.

Tech: 1555.

Customer: 1555. I'm going to read it back to you. 18445881555.

Tech: That's correct, I got that off their website so that, I just went to contact on them and took down the number they have listed.

Customer: Okay, alright. Thank you.

Tech: You're very welcome. You have a great day.

Customer: You too, bye bye.

Tech: Bye bye.
